

Apology Letter To Teacher For Misbehavior

Dear [Teacher],

I am writing to apologize for my misbehavior in class yesterday. I realize that my actions were unacceptable, and I am deeply sorry for any disruption or disrespect I may have caused.

I understand that my behavior was violating school policy and I accept full responsibility for my actions. I promise to make sure it never happens again. I will work to ensure that I can better manage my emotions and reactions in the future.

Thank you for your time and understanding.

Sincerely,
